Physician Well Known in Chattanooga—Served in Fifth Army Corps of France.

Dr. Alice Gregory, of New York, who will sail shortly for France to take charge of an overseas hospital, is well known to Chattanooga. She has been in the realm of medicine, but as the niece of Dr. John A. Wyeth, a southerner, and granddaughter of Dr. Marion Sims, also an Alabamian, and of worldwide celebrity.

Dr. Gregory began the study of medicine at the age of 14 in the New York Polytechnic hospital, where her father, a Frenchman, was one of the directors. She, however, completed her studies at Cornell university.

The American government not then recognizing women physicians, Dr. Gregory sailed for France two years ago, where she was made a lieutenant in the Fifth French army corps. Returning to this country recently, Dr. Gregory has been identified with various lines of Red Cross work, and when she returns to France shortly, in company with Mrs. Edwards and Von Sully, it will be in the service of the United States government.

**WHAT CAUSES YOUR COUGH?**

Is It From a Cold or Does It Go Deeper?

Frequently the first sign of tuberculosis is a cough. And it is also the first symptom of other serious diseases. What is it that causes you to cough? Is it from a cold or from a more serious disease? It is dangerous to take a chance with a cough. Break it up.

Lung-Vita will do it. This reliable medicine goes down and cuts loose the phlegm that has accumulated and soothes the irritated membranes. It does not merely check the cough for a day or so, but removes it by removing the cause. People who have used Lung-Vita say one bottle will nearly always give entire relief. And it's harmless.

## JOINT MEETING OF FIRST CHRISTIAN CHURCH CIRCLES

Owing to Lenten Season Week's Program Is Covered in One Day—Home-Prepared Luncheon Served at Noon—Out-of-Town Guests of Honor.

Economy in time featured the joint meeting of the Senior Missionary and Glen Martin Missionary societies of the First Christian church Tuesday. It has heretofore been their custom to spend a week on the study of missionary subjects every year, but it was decided to cover it in one day during the Lenten season this year. However, their usual week of prayer just before Easter will be observed.

The subject was from the book, "The Lure of Africa," and was taught in relay classes in a most interesting and instructive way. Mrs. F. B. Martin, president of the East Tennessee district, presided, and Mrs. George Campbell, president of the senior society, and Mrs. H. D. Wallin, president of the Glen Martin society, were in charge of the devotional exercises of the two sessions.

Mrs. Jos. I. Johnson read the opening paper, "The Lure of Africa." Mrs. L. D. Steele, of the Third Presbyterian church, was a guest and responded to a call with a very able review of the "Stronghold of Mohammedanism."

Mrs. Terrell Clemons followed with the subject, "Mohammedanism on the March," in which she held the close attention of her hearers. At this time the meeting was adjourned for lunch. Only long table was spread with covers for about fifty, which was all taken. Down the center of the table were potted plants of pink hyacinths. The menu, while strictly Hooverized, was nevertheless

Jameson. Reports of various chairmen were attended with much interest. Mrs. Jackson, chairman of war work, reported that a picture of General Pershing and a dozen Victrola records had been sent to the base hospital. Mrs. J. M. Card reported that linen toilet bags and games had been sent.

Mrs. C. K. Davis, chairman of knitting, reported much activity. Mrs. McMahon reported that rompers were being made for the Vine Street orphanage.

A letter of thanks was requested to be written to the Kiwanis for the loan of autos to convey club members to the army post.

It was decided to continue a membership in the Drama League of America.

Announcement was made of the coming of Miss Miller and her classes in Bible study at the Y. W. C. A.

The request was also made that contributions of books and magazines to the war library at Fort Oglethorpe be forthcoming. Mrs. Earl Cook was appointed to secure a service flag for the club, pursuant to the motion of Mrs. Mary Giles Howard. On the flag will be inscribed stars in honor of the sons and brothers of club members in war service.

**The Election.**  
The latter part of the afternoon was devoted to election of officers. Mrs. T. C. Betterton was the only member of the executive board having served her term of office, the other officers completing but their first year. In several instances re-election was by acclamation, notably in the case of the president, Mrs. F. L. Underwood, to whom the club extended many felicitations with the chaqueta salute.

The slate of the nominating committee presented the names of only the executive officers. In the election for department chairmen, balloting was held for both nomination and election, there being in several instances a half-score of nominees, many of whom withdrew their names.

Department directors were elected as follows: Civics and Economics—Mrs. Herman Feffer. Conservation—Mrs. Fred Little. Drama League—Mrs. William Warfield. Literary—Mrs. W. F. Langley. Music—Mrs. T. M. Clemons. Parliamentary—Mrs. C. W. Loftin. Story-Tellers—Mrs. Harry Bonny. Chairmen of standing committees and the appointive offices will be chosen later.

Mrs. S. D. Cole will conduct the literary program at the next meeting on the subject of parliamentary law.

a most tempting one. Sandwiches were made of war bread, but the filling disguised the taste of the bread. Many little home-made dishes, such as jellies and marmalades, were scattered over the table, and the refreshments were olives and celery. Coffee and tea with cake comprised the dessert course.

The officers of the missionary society of the First Christian church of Cleveland were the honor guests. They were Mrs. John Milne, Mrs. Steele and Mrs. Trehwitt.

During the morning session Mrs. Weesner sang a solo, and in the afternoon Miss Daisy Owen gave a song, accompanied by Mrs. Ralph Walker.

The committee in charge of the luncheon was Mrs. David Houston, Mrs. Andrew Smith, Mrs. Charles Clemons and Mrs. S. F. Potts. Mrs. Claude Hill, the pastor's wife, was present and gave material aid to the meeting.

Mrs. H. D. Wallin was in charge of the devotional services for the afternoon.

Mrs. J. W. Wimberly taught the third chapter of the book, "The Stronghold of Christianity," and Mrs. W. W. Draper gave the fifth, "Africa's Debt and Credit Account With Civilization."

"The Heart of Paganism" was expounded by Mrs. C. Emig, and Mrs. F. D. Hill gave a splendid talk on "Africa, the Laboratory of Christianity."

The meeting closed with the singing of "Blest Be the Tie."

regulation army uniform and his sweetheart, who, as the young man entered, took the situation by the forelock and rushed up to him, threw her arms around his neck and administered a kiss.

This, however, she had a perfect right to do, as the engagement of Lieut. D. L. Hutcherson, of Philadelphia, and Miss Eleanor Deutcher, of New Jersey, has been formally announced. However, in proof of the old adage that "the course of true love never runs smoothly," the course of things was turned into a stream of doubt before the public when, a few days ago, there appeared a denial in a Philadelphia paper of the engagement, purporting to come from the groom's family. This denial seems to have come about by the mother's refusal to be interviewed, simply saying that she knew nothing about it. Later Lieut. Hutcherson notified his mother of the engagement by wire and received a telegram in reply assuring him that all was well.

Mrs. John Lamar Meek was hostess at a meeting of the Embroidery circle at her home on Oak street Tuesday afternoon. The occasion was a spend-the-day meeting, when sweaters were knitted for the Godmothers' association and the Red Cross. Fourteen ladies were present.

Mrs. John Howard will be hostess in two weeks.

Miss Mattie James will conduct the program of the Junior Music club at the regular meeting of the Chattanooga Music club, to be held at the courthouse next Monday night.

**EXPRESSION CLUB TO HOLD ANNUAL ELECTION**

Mrs. George Scholz will give a talk on celebrated actors and actresses at the regular meeting of the Chattanooga Expression club, to be held at the home of Miss Lucie Spence, 238 McCallie avenue, Friday afternoon.

During the business session of the club the annual election of officers will be held. Mrs. S. O. Bankson, president, having completed her first year with marked success, will probably be re-elected to the presidency without opposition. It is rumored.

**GODMOTHERS SECURE CHARTER FOR ASSOCIATION**

The Godmothers' association held its regular meeting at headquarters Tuesday afternoon when plans for the dance to be given at the Hotel Patten Saturday night were concluded.

Announcement was made that the club has been duly chartered as a separate organization.

A report of the sale of tickets for "Green Stockings" to be given at the Lyric Friday night by "Cap and Belva" of the University of Chattanooga, was made. Announcement was made that two cots had been placed in the railroad station for sick soldiers and that a hospital bed will be placed in the base hospital in France.

Miss Maud Whiteside, chairman of the knitting committee, gave a good report.

**"THE NATIONS" TO BE GIVEN BY RED CROSS**

Friday evening at the East Lake Grammar school a pageant, "The Nations," will be presented under the auspices of the Red Cross auxiliary. About fifty people of the community will take part. All of the characters will wear costumes appropriate to their part.

This promises to be one of the most interesting and the prettiest entertainments given this season.

**SATURDAY NIGHT BALL AT COUNTRY CLUB**  
Members of the club who desire dinner at the country club on Saturday night of the military ball are advised to order in advance, as usual. Mrs. Scott, wife of Gen. Scott, now in France, will be an honor guest with Maj. and Mrs. Catta.

A meeting of the Suburban Federation of the First Christian church will be held at the courthouse Thursday afternoon at 2 o'clock. Superintendent Abel will speak on the Atlantic City convention. All-suburban leagues are asked to be represented. Mrs. E. H. Pyrd will be in charge.

**KAISER CONGRATULATES PRINCE LEOPOLD OF BAVARIA**

Halting of Russian Army After Over Three Years Galls Forth His Praise.

Amsterdam, March 6.—Emperor William, in a telegram to Prince Leopold, of Bavaria, the Austro-German commander-in-chief on the eastern front, according to a Berlin dispatch, congratulates him that after three and a half years of struggle, the German armies have called a halt to the "Russian army, which, with an overwhelming superiority of numbers, threatened our country."

In alluding especially to Prince Leopold's "courageous and untiring" efforts, the Kaiser's message was a tribute to the victor in the history of the German army.

**WOULD TEUTONS SEEK DAZZLING PRIZE IN ASIA?**

Keenest Diplomats Say Germany Fears War With Japs. Controls Russia Politically.

(Ryley Gannon, in Washington Post.)  
The keenest intellects in allied nations have taken swift appraisal of facts, probabilities and possibilities in connection with Germany's temporary domination of Russia. For a moment the question was whether or not Germany would turn aside from Europe to pursue a more dazzling prize in Asia and India. This question has been answered in the negative by the best qualified observers on the allied side.

Perhaps I can best summarize the views I have mentioned by putting them in the first person. These views were expressed by one of the ambassadors, whose insight into European politics has made him a notable figure. I do not pretend that these are his exact words, but they faithfully reflect his statements:

"In order to obtain light on Germany's immediate aims, let us weigh what she has done lately and consider its bearings upon her general aim, that of creating Mitteleuropa.

**Needs Consent of Japan.**  
"If Germany were aiming at the complete domination of Russia in a military sense, including the occupation of eastern Siberia, with its strip of Pacific coast, she would not and could not profitably have done what she has just done, which is the stripping of the eastern front of her best men.

"The only method by which Germany could remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—(Adv.)

many could take over eastern Siberia without use of enormous forces would be by the passiveness and consent of Japan. We know that Japan is ready to fight to the death rather than permit Germany to establish her power on the very frontier of Japan.

"The deep penetration of Russia is utterly inconsistent with Germany's disposition on all fronts.

"Germany knew months ago that she was politically in control of Russia. If she had desired to occupy Russia she would have retained an army with which to accomplish that task. But Germany has no stomach for a war with Japan, which would require at least 2,000,000 men. The transport difficulties in Russia would be insurmountable, either for Germany or Japan. Neither nation can transport an army and supplies and food across the illimitable plains of Russia.

**Break With Turkey Near.**  
"The taking of Karabagh, Batoum and Kars from Russia at the last moment is an indication that Turkey is about to break with Germany. Turkey has lost heavily. If Germany had not delivered something it is a certainty that the central alliance would have been disrupted. Germany has avoided this by forcing the bolsheviks to give up three rich territories to the Turk and to withdraw from Turkish territory.

"We have not the least doubt that Germany's desire is to pacify the eastern front, including Rumania, and then to clear up the situation in the Balkans and Asia Minor.

"The allied army at Saloniki is in Germany's path. With that army out of the way, Germany's domination would be supreme as far as Palestine.

**No "Wild Goose Chase."**  
"Then an effort would be made to dislodge the British army and thus enable the German forces to march on the Suez canal.

"If Germany could swoop down upon India through Russia she would gladly do so, but the distances are so great that such a project is out of the question.

"In a word, Germany adheres to the Mitteleuropa plan."
